CRACK THE CODE!

Limitless Learning participants, their families and the volunteers at the Deloraine Folk Museum have worked together to create messages in code, for you to crack!
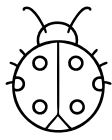

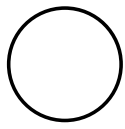

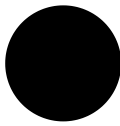

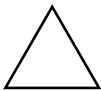

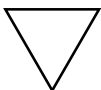

We would love you to join in creating coded messages. Create your own message and leave it here for other people to try!

1. Choose your own symbols to represent each letter
2. Write your message on a separate page
3. Then write your message on the Crack the Code page using your symbols instead of regular letters, in the lefthand column.
4. The person who is cracking the code will write the word in the righthand column
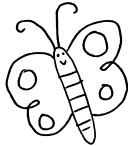

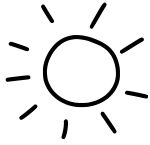

Secret Code

Write your words using the code below on the response sheet. After that, switch papers to your partner and let them write the correct words based on your code.
