

# ROCKS

My favourite  
rock

I chose my  
favourite rock  
because

Lightest rock

Heaviest rock

Strangest  
looking rock

Prettiest rock

## Activity ideas

- Arrange rocks from biggest to smallest
- Group in colours
- Guess which rock is worth the most money
- Time how long it takes to find the heaviest rock
- Create your own activity using the rocks!

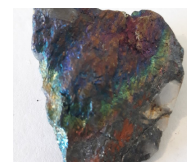

## Some of our favourites

Australian  
Agate

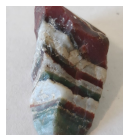

Bismuth

Peacock  
Ore

Obsidian

Banded  
Jasper

Brazillian  
Amethyst

# You are welcome to touch and explore the rocks!

Limitless learning participants have created the following guidelines.

Please have **clean hands** before you start – there is sanitiser provided.

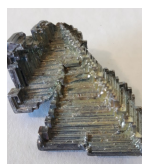

You can take rocks out of their bag, but just one at time to ensure it goes **back in the same bag**.

Some rocks are fragile, please **handle with care**.
