International Postgraduate
Course Guide 2025

SECOND EDITION

Your journey starts here

Whether you're just starting out, or you're ready to take the next step in your pursuit of knowledge, there's no place quite like Tasmania.

As a university that has a long history of welcoming international students, we understand the important role you will play in shaping both our university, and the broader community when you join us in Tasmania.

Upon arriving in Tasmania, you'll be immersed in one of the world's most spectacular natural environments. Framed by vibrant cities, beaches, snowfields and forests, Tasmania is a place where you can hear yourself think and learn beyond the classroom.

As a student, our whole island is your campus. Many of our courses let you take your studies into Tasmania's great outdoors — on field trips, through work placements, and through our leading sustainability program. These real-world experiences make you more employable, while also giving you the chance to engage with our welcoming community and leverage our industry connections. Plus, you'll have a distinctive and unforgettable Australian experience.

We are ranked 1st for postgraduate employment outcomes in Australia* and proud to offer courses and support which equip students for successful and fulfilling careers.

Where study meets sustainability

By choosing to study with us, you'll become part of the world's leading university on climate action.¹
