

Hookey

Hookey is a game that volunteers from the Deloraine Folk museum have played in the past.

Children in the Limitless Learning program enjoyed trying this game. It's a wonderful activity that can be enjoyed by all generations.

1. Find the Hookey game outside
2. Choose two players and decide which colour ring you are each using
3. Decide on a starting spot or throwing line, where you stand to throw from.
4. There are different games you can play. We focussed on just trying to get rings to land on the hooks!
5. Players take it in turns to throw a ring aiming to land it on a hook.
6. Add up the numbers that the rings land on.
7. The person with the highest number wins.
8. You can design your own game to play using Hookey, like trying to get rings to land on the lowest number first and then working your way up.

Do the people you are with have memories of playing this game?
Did they play it differently?
