GRADUATION

Accessibility for Guests

We are delighted to welcome you to our upcoming graduation event, where we will celebrate the achievements of our graduating students. To ensure that all our guests have a positive and enjoyable experience, we want to provide you with information regarding any disability related information and assistance during the event.

Ticket purchase

When your graduate/student is purchasing your guest tickets, please make sure to indicate any disability related support you may have. This will be provided to the venue and event staff so they are aware on the day. We ask that you please speak with the venue directly to ensure you are comfortable with accessing the venue and so they best understand your requirements.

Venue assistance

The venue staff are committed to ensuring a comfortable experience for all guests. If you have any disability related needs or concerns, please don't hesitate to approach the venue staff directly. They will be identifiable by their uniforms and are ready to assist you throughout the event.

Physically accessible seating

All our Graduation venues have physically accessible seating areas. If you require specific seating arrangements, please inform the venue staff upon your arrival, and they will show you to the appropriate seating.

Early arrival

To ensure a smooth experience, we recommend arriving early at the venue. This will allow ample time for the venue staff to assist you and make any necessary arrangements.

Communication with venue staff

If you have any questions or concerns regarding any disability related issues before or during the event, feel free to communicate with the venue staff. They are there to address your queries and ensure that your time at the graduation event is enjoyable.

Parking and drop-off

Check the venue information for details on parking and drop-off points. If you require any further arrangements, please contact the venue in advance or inform the staff upon arrival for assistance.
