## This Information Memorandum

This Information Memorandum relates to a debt issuance programme (“**Programme**”) established by University of Tasmania (the “**Issuer**” or “**UTAS**”), under which it may issue Notes from time to time. It has been prepared by, and is issued with the authority of, the Issuer.

*The Notes are not obligations of any government and, in particular, are not guaranteed by the State of Tasmania or the Commonwealth of Australia.*

The Issuer accepts responsibility for the information contained in this Information Memorandum (other than the Programme Participant Information).

Terms used in this Information Memorandum but not otherwise defined have the meanings given to them in section 8 (*Glossary*) and/or will otherwise be interpreted as provided in the Conditions.

## Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes under the Programme in any country including Australia and countries in Europe and Asia but (subject to the below) not in the United States. The Notes have not been, and will not be, registered under the U.S. Securities Act and, accordingly, the Notes may not be offered, sold, delivered or transferred, at any time, within the United States or to, or for the account or benefit of, U.S. persons, except in a transaction exempt from the registration requirements of the U.S. Securities Act.

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer or any Programme Participant to any person in any jurisdiction to subscribe for, purchase or otherwise deal in any Notes.

The distribution and use of this Information Memorandum, including any Issue Materials, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about them and observe any such restrictions.

In particular:

- this Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporations Act. Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with ASIC or any other governmental body or agency; and
- no action has been taken by the Issuer or any Programme Participant Party which would permit a public offering of any Notes or distribution of this Information Memorandum or any Issue Materials in any jurisdiction where action for that purpose is required (including circumstances that would require disclosure under Part 6D.2 or 7.9 of the Corporations Act).

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum and any other Issue Materials, see section 3 (*Selling restrictions*).

## No independent verification

The only role of each of the Programme Participants in the preparation of this Information Memorandum has been to confirm to the Issuer that the Programme Participant Information relating to itself is accurate as at the Preparation Date.

Apart from the foregoing, no Programme Participant Party has independently verified any information contained in this Information Memorandum and each such person disclaims any responsibility, and disclaims all and any liability whether arising in tort or contract or otherwise, for such information. No representation, warranty or undertaking, express or implied, is made, to the fullest extent permitted by law, no responsibility or liability is accepted, by any of them, in relation to the accuracy or completeness of this Information Memorandum, any Issue Materials or any further information supplied by the Issuer in connection with the Programme or any Notes.

Each Programme Participant expressly does not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise any Noteholder, any potential investor in Notes or any other person of any information coming to their attention with respect to the Issuer and makes no representations as to the ability of the Issuer to comply with its obligations under the Notes. No Programme Participant makes any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does any Programme Participant guarantee the payment of capital or any particular rate of capital or income return, in each case, on any Notes.

## Investors to make independent investment decision and obtain professional advice

This Information Memorandum contains only summary information concerning the Issuer, the Programme and the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes (1) is intended to provide the basis of any credit or other evaluation and should not be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by the Issuer or any Programme Participant Party that any recipient of this Information Memorandum or any other information supplied in connection with the Programme or the issue of any Notes should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes, or (2) describes the risks of an investment in any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer and the risks of an investment in any Notes;
- determine for themselves the relevance of the information contained in this Information Memorandum (including all information incorporated by reference and forming part of this Information Memorandum) and any other information supplied in connection with the Programme or the issue of any Notes, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own financial, legal, tax and professional advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

No accounting, regulatory, investment, legal, tax or other professional advice is given in respect of an investment in any Notes or rights in respect of them.

In particular, if any financial product advice is, in fact, held to have been given by the Issuer in relation to Notes issued in connection with this Information Memorandum, it is general advice only. The Issuer does not hold an AFSL and is not licensed to provide financial product advice in relation to the Notes. No cooling-off regime applies to investors of Notes.

#### **MiFID II Product Governance / UK MiFIR Product Governance / Target Market**

The Pricing Supplement in respect of any Notes may include a legend entitled “MiFID II Product Governance” and/or “UK MiFIR Product Governance”, as applicable, which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to MiFID II and/or the UK MiFIR Product Governance Rules, as applicable, is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance Rules and/or the UK MiFIR Product Governance Rules, as applicable, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise none of the Arrangers, the Dealers and any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules and/or the UK MiFIR Product Governance Rules, as applicable.

#### **IMPORTANT – EEA RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by the PRIIPs Regulation for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

#### **IMPORTANT – UK RETAIL INVESTORS**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No. 2017/565 as it forms part of UK domestic law by virtue of the EUWA; (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of the UK Prospectus Regulation. Consequently, no key information document required by the UK PRIIPs Regulation for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

#### **Notification under Section 309B(1)(c) of the Securities and Futures Act 2001 of Singapore**

Unless otherwise stated in the Pricing Supplement in respect of any Notes, the Issuer has determined and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA) that the Notes to be issued under the Programme shall be prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

except in an offshore transaction in accordance with Rule 903 of Regulation S.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from it during the distribution compliance period a confirmation or other notice substantially to the following effect:

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells or transfers Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum, Issue Materials or other offering material in relation to the Notes, in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the Pricing Supplement or in another supplement to this Information Memorandum and any applicable law or directive of that jurisdiction.

## 4. Summary of certain taxation matters

### Australian taxation

The following is a summary of the Australian withholding tax treatment under the Income Tax Assessment Acts 1936 and 1997 of Australia (together, the “**Australian Tax Act**”), at the date of this Information Memorandum, of payments of interest on the Notes and certain other Australian tax matters.

*It is a general guide and should be treated with appropriate caution. The summary is not exhaustive and, in particular, does not deal with the position of certain classes of Noteholders (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of any person). In addition, this summary does not consider the Australian tax consequences for persons who hold interests in the Notes through Austraclear, Euroclear, Clearstream, Luxembourg or another clearing system.*

*Prospective Noteholders should also be aware that particular terms of issue of any Series of Notes may affect the tax treatment of that Series of Notes. Information regarding taxes in respect of Notes may also be set out in the relevant Pricing Supplement.*

*This summary is not intended to be, nor should it be construed as, legal or tax advice to any particular holder of Notes. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.*

*This summary applies to holders that are:*

- *residents of Australia for tax purposes that do not hold their Notes, and do not derive any payments under the Notes, in carrying on a business at or through a permanent establishment outside of Australia, and non-residents of Australia for tax purposes that hold their Notes, and derive all payments under the Notes, in carrying on a business at or through a permanent establishment in Australia (“**Australian Holders**”); and*
- *non-residents of Australia for tax purposes that do not hold their Notes, and do not derive any payments under the Notes, in carrying on a business at or through a permanent establishment in Australia, and residents of Australia for tax purposes that hold their Notes, and derive all payments under the Notes, in carrying on a business at or through a permanent establishment outside of Australia (“**Non-Australian Holders**”).*

### Australian interest withholding tax

The Australian Tax Act characterises securities as either “debt interests” (for all entities) or “equity interests” (for companies), including for the purposes of Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act (“**Australian IWT**”) and dividend withholding tax. For Australian IWT purposes, “interest” is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts. The Issuer intends to issue Notes which are to be characterised as “debt interests”

for the purposes of the tests contained in Division 974 and the returns paid on the Notes are to be “interest” for the purpose of section 128F of the Australian Tax Act.

### Australian Holders

Payments of interest in respect of the Notes to Australian Holders should not be subject to Australian IWT.

### Non-Australian Holders

Australian IWT is payable at a rate of 10% of the gross amount of interest paid by the Issuer to a Non-Australian Holder, unless an exemption is available.

### Section 128F exemption from Australian IWT

An exemption from Australian IWT is available in respect of interest paid on the Notes if the requirements of section 128F of the Australian Tax Act are satisfied.

In broad terms, the requirements are as follows:

- the Issuer is a resident of Australia and a company as defined in section 128F(9) of the Australian Tax Act when it issues those Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts;
- those Notes are issued in a manner which satisfies the public offer test in section 128F of the Australian Tax Act. There are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that the Issuer is offering those Notes for issue. Only one of the five methods needs to be satisfied. In summary, the five methods are:
  - (a) offers to 10 or more unrelated persons carrying on a business of providing finance, or investing or dealing in securities, in the course of operating in financial markets;
  - (b) offers to 100 or more investors of a certain type;
  - (c) offers of listed Notes;
  - (d) offers via publicly available information sources; or
  - (e) offers to a dealer, manager or underwriter who offers to sell those Notes within 30 days by one of the preceding methods;
- the Issuer does not know, or have reasonable grounds to suspect, at the time of issue, that the Notes, or interests in the Notes, were being, or would later be, acquired, directly or indirectly, by an “associate” of the Issuer, except as permitted by section 128F(5) of the Australian Tax Act; and
- at the time of the payment of interest, the Issuer does not know, or have reasonable grounds to suspect, that the payee is an “associate” of the Issuer, except as permitted by section 128F(6) of the Australian Tax Act.

### Compliance with section 128F of the Australian Tax Act

Unless otherwise specified in any relevant Pricing Supplement or another relevant supplement to this Information Memorandum, the Issuer intends to issue the Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

### Exemptions under certain double tax conventions

The Australian Government has concluded double tax conventions ("**Specified Treaties**") with a number of countries (each a "**Specified Country**") which contain certain exemptions from Australian IWT. The Specified Treaties apply to interest derived by a resident of a Specified Country.

In broad terms, the Specified Treaties effectively prevent Australian IWT applying to interest derived by:

- the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; and
- a "financial institution" which is a resident of a "Specified Country" and which is unrelated to and dealing wholly independently with the Issuer. The term "financial institution" refers to either a bank or other form of enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest paid under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.

### Payment of additional amounts

As set out in more detail in the Conditions of the Notes, and unless expressly provided to the contrary in any relevant supplement to this Information Memorandum, if the Issuer is at any time required by law to deduct or withhold an amount in respect of any withholding taxes imposed or levied by Australia or any political subdivision thereof or any authority therein or thereof having the power to tax in respect of the Notes, the Issuer must, subject to certain exceptions, pay such Additional Amounts as shall result in receipt by the Noteholders of such amounts as would have been received by them had no such withholding or deduction been required. In broad terms, if the Issuer is required, as a result of any change in, or amendment to, an Australian law after the issue date to pay an Additional Amount in respect of a Note, the Issuer will have the option to redeem all (but not some) of the Notes in accordance with the relevant Conditions.

### Other Australian tax matters

Under Australian laws as presently in effect:

- *stamp duty and other taxes* – no *ad valorem* stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue, transfer or redemption of any Notes;
- *TFN/ABN withholding* – withholding tax is imposed (currently at the rate of 47%) on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number ("**TFN**"), (in certain circumstances) an Australian Business Number ("**ABN**") or proof of some other exception (as appropriate). Assuming

the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, then such withholding should not apply to payments to a Non-Australian Holder that is a non-resident of Australia for Australian tax purposes;

- *additional withholdings from certain payments to non-residents* – the Governor-General may make regulations requiring withholding from certain payments to non-residents of Australia (other than payments of interest and other amounts which are already subject to the current Australian IWT rules or specifically exempt from those rules). Regulations may only be made if the responsible Minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The possible application of any future regulations to the proceeds of any sale of the Notes will need to be monitored;
- *GST* – neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or a GST free supply (in the case of an offshore subscriber of a Note that is a non-resident). Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia;
- *supply withholding tax* – payments in respect of the Notes can be made free and clear of any "supply withholding tax" imposed under section 12-190 of Schedule 1 to the Taxation Administration Act 1953 of Australia ("**TAA**"); and
- *garnishee directions by the Commissioner of Taxation* – the Commissioner of Taxation may give a direction requiring the Issuer to deduct from any payment to a holder of the Notes any amount in respect of Australian tax payable by the holder. If the Issuer is served with such a direction, then the Issuer will comply with that direction and make any deduction required by that direction.

### U.S. Foreign Account Tax Compliance Act and OECD Common Reporting Standard

#### U.S. Foreign Account Tax Compliance Act

Under sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 ("**FATCA**"), a 30% withholding ("**FATCA withholding**") may be required if (i)(A) an investor does not provide information sufficient for the Issuer or any other non-U.S. financial institution ("**FFI**") through which payments on the Notes are made to determine the Noteholder's status under FATCA, or (B) an FFI to or through which payments on the Notes are made is a "non-participating FFI"; and (ii) the Notes are treated as debt for U.S. federal income tax purposes and the payment is made in respect of Notes issued or modified after the date that is six months after the date on which final regulations defining the term "foreign passthru payment" are filed with the U.S. Federal Register, or the Notes are treated as equity for U.S. federal income tax purposes or do not have a fixed term, whenever issued.

FATCA withholding is not expected to apply on payments made before the date that is two years after the date on which final regulations defining the term “foreign passthru payment” are filed with the U.S. Federal Register.

Reporting Australian Financial Institutions (“**RAFIs**”) under the Australia–U.S. FATCA Intergovernmental Agreement dated 28 April 2014 (“**Australian IGA**”) must comply with specific due diligence procedures. In general, these procedures seek to identify account holders and provide the Australian Taxation Office (“**ATO**”) with information on financial accounts held by U.S. persons and recalcitrant account holders. The ATO is required to provide such information to the U.S. Internal Revenue Service. Consequently, Noteholders may be requested to provide certain information and certifications to the Issuer and to any other financial institutions through which payments on the Notes are made. A RAFI that complies with its obligations under the Australian IGA will not be subject to FATCA withholding on amounts it receives, and will not be required to deduct FATCA withholding from payments it makes, other than in certain prescribed circumstances.

In the event that any amount is required to be withheld or deducted from a payment on the Notes as a result of FATCA, pursuant to the terms and conditions of the Notes, no additional amounts will be paid by the Issuer as a result of the deduction or withholding.

### *OECD Common Reporting Standard*

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**CRS**”) requires certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.

The Australian Government has enacted legislation amending, among other things, the TAA to give effect to the CRS.

### 2.1 Programme

- (a) Notes are issued under the Programme.

The Issuer is not responsible for anything the Clearing System does or omits to do.

No certificates in respect of any Notes will be issued to Noteholders unless the Issuer determines that certificates should be available or are required by any applicable law or directive.

---

**4 Status, ranking and negative pledge****4.1 Status and ranking**

The Notes constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4.2 ("Negative pledge")) unsecured obligations of the Issuer and will rank equally and rateably in right of payment, and without any preference among themselves and at least equally with all other present or future unsecured and unsubordinated obligations of the Issuer, except indebtedness required to be preferred by law.

**4.2 Negative pledge**

So long as any Note remains outstanding, the Issuer will not create or permit to subsist any Security Interest over any of its assets other than a Permitted Security Interest unless, in the case of the creation of the Security Interest, prior to or simultaneously therewith, and in any case, promptly, the Issuer either:

- (a) grants or procures to be granted a Security Interest securing its obligations under the Notes, equally and rateably in all respects so as to rank *pari passu* with the applicable indebtedness the subject of the Security Interest; or

Title to a Note passes when details of the transfer are entered in the Register.

### **5.2 Effect of entries in Register**

Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
  - (i) pay principal, any interest and any other amounts in accordance with these Conditions; and
  - (ii) otherwise to comply with the Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Conditions in respect of the Note.

### **5.3 Ownership and non-recognition of interests**

- (a) Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of such Note subject to correction for fraud or proven error.
- (b) No notice of any trust or other interest in, or claim to, any Note will be entered in a Register. Neither the Issuer nor the Registrar need take notice of any trust or other interest in, or claim to, any Note, except as ordered by a court of competent jurisdiction or required by any applicable law or directive. This Condition 5.3(b) applies whether or not a Note is overdue.

### **5.4 Joint holders**

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

### **5.5 Transfer**

- (a) Noteholders may only transfer Notes in accordance with these Conditions.
- (b) Notes may be transferred in whole but not in part.

### **5.6 Transfer procedures**

Interests in Notes held in a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System. If a Note is lodged in the Austraclear System, neither the Issuer nor the Registrar will recognise any such interest other than the interest of Austraclear as the Noteholder while that Note is lodged in the Austraclear System.

### **5.7 Austraclear as Noteholder**

If Austraclear is recorded in the Register as the Noteholder, each person in whose Security Record a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the Agency Agreement; and
- (b) the Noteholder does not rely on any fact, matter or circumstance contrary to paragraph (a).

### **5.8 Restrictions on transfers**

Transfers of Notes which are not lodged in a Clearing System cannot be made between a Record Date and the relevant Interest Payment Date if a redemption of such Note is to occur during that period in accordance with these Conditions.

### **5.9 Effect of transfer**

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Note and the transferee becomes so entitled in accordance with Condition 5.2 ("Effect of entries in Register").

**5.10 CHESS**

Notes which are listed on the ASX will not be transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be “Approved Financial Products” for the purposes of that system.

**5.11 Estates**

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

**5.12 Unincorporated associations**

A transfer of a Note to an unincorporated association is not permitted.

**6 Fixed Rate Notes**

*This Condition 6 applies to the Notes only if the Pricing Supplement states that it applies.*

**6.1 Interest on Fixed Rate Notes**

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

**6.2 Fixed Coupon Amount**

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

**6.3 Calculation of interest payable**

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, by the outstanding principal amount of the Fixed Rate Note and by the applicable Day Count Fraction.

**7 Floating Rate Notes**

*This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.*

**7.1 Interest on Floating Rate Notes**

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the “Specified Period” in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

**7.2 Interest Rate determination**

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

**7.3 Fallback Interest Rate**

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.2 (“Interest Rate determination”), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

#### 7.4 Screen Rate Determination

Where “Screen Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition 7.4, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
  - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
  - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

#### 7.5 BBSW Rate Determination

Where “BBSW Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate. Each Noteholder shall be deemed to acknowledge, accept and agree to be bound by, and consents to, such determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case as described below (in all cases without the need for any Noteholder consent). Any determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case described below will be binding on the Issuer, the Noteholder and each Agent.

In this Condition 7.5, “**BBSW Rate**” means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “MID” on the Bloomberg Screen BBSW Page or the “AVG MID” on the Refinitiv Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at approximately 10.30 am (or such other time at which such rate customarily appears on that page, including, if corrected, as recalculated and republished by the relevant administrator) (“**Publication Time**”) on the first day of that Interest Period. However, if such rate does not appear on the Bloomberg Screen BBSW Page or Refinitiv Screen BBSW Page (or, in each case, any replacement page) by 10.45 am on that day (or such other time that is 15 minutes after the then prevailing Publication Time), or if it does appear but the Calculation Agent determines that there is an obvious error in that rate or the rate is permanently or indefinitely discontinued, “**BBSW Rate**” means such other successor rate or alternative rate for BBSW Rate-linked floating rate notes at such time determined by the Calculation Agent or the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternate financial institution appointed by the Issuer (in its sole discretion) to assist in determining the rate, (in each case, a “**Determining Party**”), which rate is notified in writing to the Calculation Agent (with a copy to the Issuer) if determined by such Determining Party, together with such adjustment spread (which may be a positive or negative value or zero) that is customarily applied to the relevant successor rate or alternative rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for BBSW Rate-linked floating rate notes at such time (together with such other adjustments to the Business Day Convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such successor rate or alternative rate for BBSW Rate-linked floating rate notes at such time), or, if no such industry standard is recognised or acknowledged, the method for calculating or determining such adjustment spread determined by such Determining Party (in consultation with the Issuer) to be appropriate. The rate determined by such Determining Party will be expressed as a percentage rate per annum and will be rounded up, if necessary, to

the next higher one ten-thousandth of a percentage point (0.0001%).

## 7.6 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

---

## 8 General provisions applicable to interest

### 8.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a “Maximum Interest Rate” or “Minimum Interest Rate” for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero.

### 8.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, in relation to each Interest Period for each Note:
  - (i) calculate the Interest Rate in accordance with these Conditions and the Pricing Supplement; and
  - (ii) as soon as practicable after determining the Interest Rate, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

### 8.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

### 8.4 Notification of Interest Rate, interest payable and other items

- (a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:
  - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
  - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.
- (c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, each other Agent and each stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

**8.5 Determination final**

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest or proven error, final and binding on the Issuer, the Registrar, each Noteholder and each other Agent.

**8.6 Rounding**

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from those calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005% being rounded up to 0.00001%);
- (b) all figures resulting from those calculations must be rounded to five decimal places (with 0.000005 being rounded up to 0.00001); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
  - (i) in the case of Australian dollars, one cent; and
  - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

**9 Redemption and purchase****9.1 Redemption on maturity**

Each Note must be redeemed by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

**9.2 Early redemption for taxation reasons**

The Issuer may redeem all (but not some) of the Notes of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if, as a result of any change in or amendment to the laws or directives of Australia or of any political subdivision thereof or any authority or agency therein or thereof having power to tax, or in the interpretation or administration of any such laws or directives which becomes effective on or after the Issue Date of the first Tranche of such Notes, the Issuer is required under Condition 11.2 ("Withholding tax") to pay Additional Amounts in respect of a Note and such obligation cannot be avoided by the Issuer taking reasonable measures available to it.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days' and no more than 60 days' (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded;
- (b) prior to the publication of any notice of redemption for taxation reasons, the Issuer shall deliver to the Registrar a certificate signed by a Chief Operating Officer of the Issuer stating that the Issuer is entitled to effect such redemption for taxation reasons and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such Additional Amounts as a result of such change or amendment;
- (c) in the case of Fixed Rate Notes, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts; and
- (d) in the case of Floating Rate Notes:
  - (i) the proposed Redemption Date is an Interest Payment Date; and
  - (ii) the notice of redemption is given at least 30 days and not more than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

**9.3 Early redemption at the option of Noteholders (Noteholder put)**

If the relevant Pricing Supplement states that this Condition 9.3 applies, a Noteholder may require the Issuer to redeem all or some of the Notes of a Series held by that Noteholder before their Maturity Date if the following conditions are satisfied:

- (a) the Issuer is privatised or ceases to be a statutory body under the University Act; or
- (b) in such other circumstances as may be specified in the Pricing Supplement.

If such conditions are satisfied, the Issuer must redeem the Notes specified by the Noteholder at the Redemption Amount together with interest (if any) accrued on it to (but excluding) the Redemption Date provided that:

- (i) the amount of Notes to be redeemed is a multiple of their Denomination;
- (ii) the Noteholder has given not less than 30 days' nor more than 60 days' (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Noteholder to the Note;
- (iii) the notice referred to in paragraph (ii) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (iv) the Redemption Date is an "Early Redemption Date (Put)" specified in the Pricing Supplement; and
- (v) any other relevant condition specified in the Pricing Supplement is satisfied.

A Noteholder may not require the Issuer to redeem any Note under this Condition 9.3 if the Issuer has given notice that it will redeem that Note under Condition 9.2 ("Early redemption for taxation reasons") or Condition 9.4 ("Early redemption at the option of the Issuer (Issuer call)").

**9.4 Early redemption at the option of the Issuer (Issuer call)**

If the relevant Pricing Supplement states that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given not less than 30 days' nor more than 60 days' (or such lesser period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded;
- (c) the proposed Redemption Date is an "Early Redemption Date (Call)" specified in the Pricing Supplement; and
- (d) any other relevant condition specified in the Pricing Supplement is satisfied.

**9.5 Clean up call**

If 90% or more in principal amount of the Notes then outstanding have been redeemed pursuant to Condition 9.3 ("Early redemption at the option of Noteholders (Noteholder put)") and/or Condition 9.4 ("Early redemption at the option of the Issuer (Issuer call)") or purchased and redeemed, the Issuer may, having given not less than 30 days' notice to the Noteholders, redeem or, at the Issuer's option, purchase (or procure the purchase of) all but not some only of, the Notes then outstanding at their principal amount together with any interest accrued on it to (but excluding) the Redemption Date. The notice referred to in the preceding sentence shall be irrevocable and shall specify the date fixed for redemption (which, if this Note is not a Floating Rate Note, shall not be more than 60 days after the date of the notice and, if this Note is a Floating Rate Note, shall be the first Interest Payment Date which occurs after the date which falls 30 days after the date of the notice).

**9.6 Partial redemptions**

If only some of the Notes are to be redeemed under Condition 9.4 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.

**9.7 Effect of notice of redemption**

Any notice of redemption given by the Issuer or a Noteholder under this Condition 9 is irrevocable.

**9.8 Late payment**

If an amount is not paid under this Condition 9 when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no Default Rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder.

**9.9 Purchase**

The Issuer or any of its affiliates may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may be held, reissued, resold, or at the option of such purchaser, cancelled by notice to the Registrar. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.

**10 Payments****10.1 Payment of principal and interest**

Payments of principal and interest in respect of a Note will be made to each person registered at the close of business on the Record Date as the holder of that Note (or the first person to be registered in the case of joint holders).

**10.2 Payments to accounts**

Payments in respect of the Note will be made in Australia, unless prohibited by law, and:

- (a) if the Note is held in the Austraclear System, by crediting on the payment date, the amount due to:
  - (i) the account of Austraclear (as the Noteholder) in Australia previously notified to the Issuer and the Registrar; or
  - (ii) if requested by Austraclear, the accounts in Australia of the persons in whose Security Record a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Note is not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the relevant jurisdiction or financial centre for the currency in which the payment is made previously notified by the Noteholder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

**10.3 Other payments**

If the Noteholder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in the relevant jurisdiction or financial centre for the currency in which the payment is made in such manner as the Issuer may determine in its sole discretion and in no such circumstances will the Issuer be responsible for, nor will the Noteholder be entitled to, any additional payments for any delay in payment where the Noteholder has not notified the Registrar of an account for payment.

**10.4 Payments subject to law**

All payments are subject in all cases to:

- (a) any applicable fiscal or other laws and directives in any jurisdiction but without prejudice to the provisions of Condition 11 ("Taxation"); and
- (b) any withholding or deduction made under or in connection with, or to ensure compliance with FATCA.

**10.5 Payments on Business Days**

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention. The Noteholder is not entitled to any additional payment in respect of such delay.

**10.6 Currency of account**

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

---

**11 Taxation****11.1 No set-off, counterclaim or deductions**

All payments of principal and interest in respect of the Notes by (or on behalf of) the Issuer will be made free and clear of, and without withholding or deduction for or on account of, any present or future Taxes unless such withholding or deduction is made under or in connection with, or to ensure compliance with FATCA or is required by law.

**11.2 Withholding tax**

Subject to Condition 11.3 ("Withholding tax exemptions"), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by Australia or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer will pay such additional amounts so that, after making the deduction and further deductions applicable to additional amounts payable under the Conditions, each Noteholder is entitled to receive (at the time a payment is due) the amount it would have received if no such deductions or withholdings had been required to be made.

**11.3 Withholding tax exemptions**

No Additional Amounts shall be payable under Condition 11.2 ("Withholding tax") on any Note with respect to:

- (a) any Tax imposed on, or calculated having regard to, the net income of a Noteholder;
- (b) any withholding or deduction imposed on a payment received by or on behalf of a Noteholder who is liable for such Taxes in respect of such Note by reason of its having some connection with the jurisdiction by which such Taxes have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note;
- (c) any Taxes with respect to a Note presented for payment more than 30 days after the Relevant Date except to the extent that the Noteholder of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on the last day of such period of 30 days;
- (d) any payment to a holder or beneficial owner of any Note, who would be able to avoid such withholding

or deduction by presenting any form or certificate and/or making a declaration of non-residence or similar claim for exemption or reduction to any relevant authority but fails to do so;

- (e) any payment to, or to a third party on behalf of, a holder of a Note who is an “associate” (as that term is defined in section 128F(9) of the Income Tax Assessment Act 1936 of Australia) of the Issuer and such holder is not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act;
- (f) any Australian interest withholding tax imposed as a result of a determination by the Commissioner of Taxation of the Commonwealth of Australia that such tax is payable under the Income Tax Assessment Act 1936 of Australia or the Income Tax Assessment Act 1997 of Australia, in circumstances where the Noteholder is party to or participated in a scheme to avoid such tax and where the Issuer was neither a party to nor participated in such scheme;
- (g) a Noteholder that is not the beneficial owner of such Note to the extent that the beneficial owner thereof would not have been entitled to the payment of such Additional Amounts had such beneficial owner been the holder of such Note;
- (h) any payment to, or to a third party on behalf of, a holder of a Note, if that person or the holder has not supplied an appropriate Australian tax file number, Australian Business Number or details of another applicable exemption; and/or
- (i) any payment to, or to a third party on behalf of, a Noteholder where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or any similar law.

Notwithstanding any other provision of these Conditions, the Issuer or any other person making payments on behalf of the Issuer shall be entitled to deduct and withhold as required, and shall not be required to pay any Additional Amounts with respect to any withholding or deduction imposed on or in respect of any Note, under or in connection with, or to ensure compliance with FATCA.

---

## 12 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within ten years (in the case of principal) or five years (in the case of interest and other amounts) from the date on which payment first became due.

---

## 13 Events of Default

### 13.1 Events of Default

An event of default occurs if any of the following events (each an “**Event of Default**”) occurs and is continuing:

- (a) **(non-payment)** the Issuer does not pay on the due date any amount payable under the Notes and such failure is not remedied within:
  - (i) in the case of an amount of principal or other Redemption Amounts due in respect of the Notes, two Business Days after the due date; or
  - (ii) in the case of any amount of interest or other amount, 5 Business Days after the due date;
- (b) **(other obligations)** the Issuer does not comply with any other obligation under the Notes and, if the failure to comply is:
  - (i) capable of remedy, it is not remedied within 30 days of the earlier of (A) the Issuer receiving notice of such default from any Noteholder and (B) the Issuer becoming aware of the failure to observe that obligation; or
  - (ii) not capable of remedy, the failure to comply would reasonably be expected to have a material adverse effect on the ability of the Issuer to perform any of its payment obligations under the Notes;

- (c) **(cross-default)**
- (i) any Financial Indebtedness of the Issuer:
    - (A) is not paid when due (or within any originally applicable grace period);
    - (B) is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default; or
    - (C) is capable of being declared due and payable by any creditor of the Issuer prior to its specified maturity as a result of an event of default or review event (however described);
  - (ii) any commitment for any Financial Indebtedness of the Issuer is cancelled or suspended by a creditor as a result of an event of default or review event (howsoever described),
- provided that no Event of Default will occur under this Condition 13.1(c) if the aggregate amount of Financial Indebtedness or commitment for Financial Indebtedness falling within paragraph (i) or (ii) is less than A\$20,000,000 (or its equivalent in any other currency or currencies);
- (d) **(insolvency)** an Insolvency Event occurs or any corporate action, legal proceeding or other procedure or step is taken in relation to an Insolvency Event, in each case in respect of the Issuer;
  - (e) **(creditors' process)** any expropriation, attachment, sequestration, distress or execution affects any asset or assets of the Issuer having an aggregate value of A\$20,000,000 and is not discharged within 21 days;
  - (f) **(unlawfulness)** it is or becomes unlawful for the Issuer to perform any of its obligations under the Notes;
  - (g) **(vitiation)** a Note or any provision of the Deed Poll or these Conditions becomes (or is claimed to be) void, voidable or unenforceable. For these purposes, "claim" in this paragraph means claim by the Issuer or anyone on its behalf; or
  - (h) **(litigation)** a litigation, arbitration or administrative proceeding is commenced against the Issuer before any court, arbitral body or agency which is adversely determined against it, and which is reasonably likely to result in the Issuer being unable to meet its payment obligations under the Notes when due or within any applicable period of grace unless the Issuer is contesting that proceeding in good faith.

### 13.2 Consequences of an Event of Default

If an Event of Default occurs and is continuing, any Noteholder may, by written notice to the Issuer, effective upon the date of receipt by the Issuer, declare such Notes held by that Noteholder to be immediately due and payable whereupon such Notes shall become immediately due and payable at their Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind, unless prior to such time the Event of Default has been cured.

### 13.3 Notification

If an Event of Default occurs (or, under Condition 13.1(b), an event which, after notice and lapse of time, would become an Event of Default), the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the event (specifying details of it) and use its reasonable endeavours to ensure that the Registrar promptly notifies the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of the occurrence of the event.

Unless Condition 16.2 (“Variation without consent”) applies, any Condition may be varied by the Issuer in accordance with the Meeting Provisions.

### 16.2 Variation without consent

and, in the case of paragraphs (b) to (d), the Issuer is of the opinion that such amendment will not be materially prejudicial to the interests of the Noteholders generally.

## 17 Further issues

The Issuer may from time to time, without the consent of the Noteholders, create and issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the Issue Price, Issue Date and the first payment of interest) so as to form a single series with the Notes of that Series.
