## Holiday Activities 2020-2021

Are you looking to build hours over the summer holidays?

Earn up to 1-2 hours per challenge – time awarded is at discretion of School Coordinators

### ***Houses and Hotels*** [Up to 2 hours]

Make a model building such as a house, hotel, shed or cottage using recycled materials. Items like egg cartons, toilet paper rolls, cereal boxes and newspaper are a great start. Some craft scissors, glue and colours will help you make something amazing! Show your finished building to your School Coordinator.

### ***Summer Songs*** [Up to 1 hour]

It's summer holidays! Make a 1 minute song to celebrate the sunny weather, festive season and good times. You can make it any style and add dance moves if you like. Record the song for your School Coordinator.

# Children's University Tasmania

## Holiday Activities 2020-2021

### *Recycling Champions* [Up to 2 hours]

Did you know that by recycling, we not only keep our towns tidier, but we also help protect our natural environment by reducing waste? Design a poster that shows others all the different items we can recycle – there are heaps! Have fun and remember to show your poster to your School Coordinator.

### *Christmas Cards* [Up to 1 hour]

It's close to Christmas so now is a great time to make a festive card. Find some paper and other materials at home, get crafty and make someone a special Christmas card. Show your card to you School Coordinator.

# Children's University Tasmania

## Holiday Activities 2020-2021

### *School Holiday Scrapbooks* [Up to 2 hours]

Scrapbooking is an awesome way to remember your fun times over the school holidays. Find an old exercise book or magazine, and get some craft glue, scissors and colours. Choose a theme such as holiday memories or something you like, and then scrapbook away! Show your completed work to your School Coordinator.

### *Summer Themes* [Up to 2 hours]

What comes to your mind when you think about Summer? Can you remember the hottest day you ever experienced? Find some materials to use for a summer craft creation – stuff like cardboard, sand and colours can work a treat! Share your Summer Theme and remember to show your School Coordinator.

# Children's University Tasmania

## Holiday Activities 2020-2021

### ***Postcard from your neighbourhood*** [Up to 1 hour]

Imagine you have a friend who has never been to your town or neighbourhood. They ask you “what is like where you live?” You can make a post card, artwork or create an image to show your neighbourhood to your friend. All you need is some paper and coloured pencils. Show your School Coordinator.

### ***Rainbow Arts*** [Up to 2 hours]

Can you remember the last time you looked at a rainbow? Where were you at the time and how did you feel whilst looking at it? Create your piece of rainbow inspired art and show your School Coordinator.

# Children's University Tasmania

## Holiday Activities 2020-2021

### **DIY Indoor Games** [Up to 2 hours]

Ever done a DIY workshop at Bunnings? Put your DIY skills to good use and create an indoor family game from easy to find materials. Show your DIY Indoor Game or a photo of it to your School Coordinator.

### **Volunteer @ Home** [Up to 2 hours]

Tell your family you would like to volunteer by helping them with a task or two around the house – it could be some gardening, tidying up a room or other odd jobs to help out at home. How did you feel after kindly assisting others? Take *before* and *after* photos to show your volunteering efforts to your School Coordinator.

# Children's University Tasmania

## Holiday Activities 2020-2021

### ***Creative Bookmarks*** [Up to 1 hour]

Do you or someone you know enjoy reading books? Create an amazing bookmark so that you never forget what page you were up to! All you need is some paper, pencils and your imagination. Make as many bookmarks as you feel and remember to show your finished work to your School Coordinator.

### ***Legendary Animals*** [Up to 2 hours]

Find out about a famous or legendary animal that interests you. Create a replica model, craftwork or poster to celebrate your chosen animal and share with others. Remember to show your School Coordinator too.

# Children's University Tasmania

## Holiday Activities 2020-2021

### *Emojis* [Up to 1 hour]

Emojis are symbols of how we are feeling. Draw and colour some emojis on paper – you can do as many as you like over the holidays. Be creative and have fun – remember to show your School Coordinator 😊

### *Funky Bike & Car Designs* [Up to 1 hour]

Have you ever seen an unusual looking bike, car or other vehicle? Your challenge is to design the funkiest vehicle ever – we'd love to see your original design! Show your design to your School Coordinator.

**Time awarded for all activities is at discretion of School Coordinators**

# COLLECTIONS

ARE you a collector? You might be and not even know it.

For example, you might have a collection of toys or comic books.

Perhaps you have possessions that have been passed down from an older family member, like model cars, dolls, action figures, coins, postage stamps or old books.

Sometimes items such as these, and many others - if they are old, or rare, or unusual, or just

popular with people who take collecting seriously - can be quite valuable, or even very valuable.

Flowing Hair dollars were the first dollar coins issued by the United States government.

Released in 1794 and 1795, they are now extremely rare.

A Flowing Hair dollar coin sold at auction in 2013 for more than \$13.6 million.

The world's most famous rare stamp, the British Guiana 1-Cent Magenta, sold at auction in 2014

for about \$12.89 million.

Stamps and coins are interesting examples of collectables, because it is not just their age, rarity or condition that impacts on their value.

Very valuable stamps, for example, often have a special quality.

This might be to do with the beauty of the design, or the person, animal or historical event the stamp celebrates.
