

Children's University Australia Autumn Holiday Activities

Complete as many activities as you can from the booklet, then return to your school's CUA Coordinator to earn 30 minutes for each activity in your passport!

Activity 1 — Autumn Collage

When you think of Autumn, one of the first images which comes to mind is the colour of the leaves. Below, use sticky tape or glue to create a collage using as many different colours of leaves as you can!

Activity 2 — Easter Word Find

Activity 3 — Paper Tower

Using only an A4 piece of paper, build the tallest free-standing tower you can. Take a photo of yourself standing next to your tower to show how tall it is.

Activity 4 — ANZAC Biscuit Time Lapse

ANZAC biscuits are especially common this time of year, and everyone has their own way of making them. Research a recipe for ANZAC biscuits, then take at least six photos of you changing the ingredients into the final, delicious, product!

You can then paste the photos below, or simply show your CUA coordinator on a phone or camera.

Activity 5 — Treasure Hunt!

Treasure hunts are a common event around Easter. Usually held on Easter Sunday, people take time to 'hunt' around their house for gifts left behind by the Easter Bunny.

From a birds-eye view (that means, as if you were looking down from above), draw a map of your house below and show the hunter where they can find the surprise you have hidden for them!

Activity 6 — Use The Letters

2018 marks the 100 year anniversary of the end of World War 1. 'The Great War' (as it was also known) involved 32 countries and cost millions of lives, and it all began after the assassination of one person: the leader of Austria–Hungary, Archduke Franz Ferdinand.

Use the letters in the ARCHDUKE FRANZ FERDINAND to create 15 smaller words (of three letters or more). Write your words below.

Activity 7 — How Much Sugar?

Sugar is a common ingredient in our foods, but can also be dangerous if we eat too much.

Pick 5 foods from your pantry or fridge, and check how much sugar is in them (see the nutritional information box). Below, create either a bar or column graph to show how many grams of sugar per 100g each food has.

If you're not sure how to make the graph, just cut the boxes out and paste them in order from most to least sugar on the back of this page.

Activity 8 — Poster Time!

In the space below, create a poster promoting your favourite **Public Learning Destination!**

Activity 9: ANZAC Medals

Many ANZACs awarded medals to commemorate their service to our country. Using materials around your house, create a medal which you would be proud to award to an ANZAC.

If you struggle to find materials, you can simply design and draw a medal in the space below.

Activity 10: Movie Review

Name of movie –

Genre (comedy, action, romance) –

Main characters –

What date did you watch it –

Tell us about the plot of the movie, but make sure not to give away the ending!

Give three reasons you liked this movie

- 1)
- 2)
- 3)

Draw a headshot of your favourite character

Overall rating of the movie
(colour the stars)
