

DRESS UP LIKE A MINER

We loved
dressing up like
a miner. We
hope you will
too!

DRESS UP LIKE A MINER

- sanitise your hands before using the dress ups
- please pack them back into the basket when you finish and leave them for the next children to enjoy
- you might like to take a photo while you are dressed up!
- consider how safety has improved over time. In the old days they didn't even have hard hats!
