How I can achieve this?

Make a start.

Now that you have clarity around your potential careers, it's time to make decisions and take action!

What is your **NUMBER ONE** career choice?

Step 1

Step 2

Step 3

Step 4

Step 5

What are the **5 BIG STEPS** you must take to achieve this career?

No matter how big your goal, you can always break it down into the five most important steps to get you there.

This may require some research and reaching out for advice.

1. Ask a Teacher what jobs match your interests
2. Ask your family members what they do for work
3. Go to our website and research all of the courses that interest you
4. Research and reach out to your ideal workplaces
5. Contact businesses or apply for jobs
